Congratulations to all of our students who received a scholarship or award or were offered Entrance Scholarships from universities and colleges. Although we are unable to honour them at this time, we extend our congratulations to the many students who will receive recognition in the months to come. We wish you all the best in your post-graduate studies.

"You are educated. You may think of your diploma as the ticket to the good life. Let me ask you to think of an alternative. Think of it as your ticket to change the world."
